

The word **Jubilee** derives from the Hebrew yobel, a term that referred to a ram's horn whose sound, in Mosaic tradition, announced a **holy year** every 50 years: a time when the land was left uncultivated, property was returned to its rightful owners, and slaves were set free.

In the **Catholic tradition**, the Jubilee is a Holy Year celebrated every **25 years**, dedicated to reconciliation, penance, and spiritual renewal. The faithful—having confessed, received Communion, and been moved by charity—can obtain a **plenary indulgence** by visiting a Jubilee Church and praying for the intentions of the Pope.

Our parish, by decree of the Archbishop of Cagliari, has also been proclaimed a **Jubilee Church**.
